I would like to find a position in a team-based studio where I can use the design and conceptual skills I have acquired at the Rhode Island School of Design, and challenge myself as I continue my career as a graphic designer and visual communicator.

education

Rhode Island School of Design | Providence, RI
2008 Bachelor of Fine Arts, Graphic Design
Deans List

Episcopal School of Dallas | Dallas, TX
2004 High School Graduate

experience

Firstborn Multimedia | New York, NY
design intern, summer 2007

Multiplatform digital agency that creates websites, online ads, viral campaigns, digital applications, 3D models, HD video, interactive presentations, and content management tools. I aided in the design production process of some of their current projects over the summer such as JC Penney's back-to-school promotional mini-site and production material for Firstborn's 10th anniversary celebration.

Jak Design | New York, NY
freelance designer, summer 2006

Small multidisciplinary design firm offering a full range of design services, from identity development, corporate literature and information design, to books, packaging and promotion. I aided in print runs and co-designed some of their print materials including posters, invitations, and catalogues.
